# Attention grabbing results for your property

Did you know 88% of people use the internet as their main tool to search for property to buy?<sup>3</sup>

As Australia's No.1 property site, with more than 3 million visitors every month<sup>4</sup>, realestate.com.au is an important part of your advertising schedule. And a Highlight Property ad will showcase your property prominently towards the front of search results where it will get more views<sup>1</sup>, helping to drive more enquiry and a higher sale price.

**A Highlight Property ad can help get your property sold.**

1. Where Premiere Properties are not in search, Highlight Properties will appear at the top subject to search criteria. Properties are ranked based on Advertising Option and list date and show according to search and sort criteria. 2. REA Internal Data Warehouse. This is an average based on activity on realestate.com.au between 1 September to 30 November 2013. Our property sample includes suburbs that only had Premiere Property, Highlight Property, Feature Property and Standard ads during the same time period. 3. Residential Consumer Property Seeker Report, December 2013. 4. Nielsen Online Ratings, Domestic Audience, Jan-Mar 2014. REA/3318/10514.
